

Texas Statewide Financial Coaching Hub

Purpose: To expand high-quality financial coaching programs and services throughout the state by providing accessible, affordable regional trainings and on-going technical support services for Texas financial coaches.

Goals:

- To establish a quality commitment for financial coaching services in Texas
- To expand financial coaching services throughout Texas
- To provide on-going technical support for Texas financial coaches and organizations providing these important services
- To assist potential funders by maintaining baseline standards for financial coaching programs in Texas.
- To assemble statewide financial coaching training data for Texas made available for the field, key partners and funders.

The Statewide Financial Coaching Hub

Regional Trainings
